✓ can now reject, for first project:

- Autobiography, TV/pics

Call McCarty

a Brington - Jackson

- i.e. VN, WS, PP

(Note: dilemma on forms, between
VN/Memoirs and news: as in 1969!

(1969 = 1964

as does 1984-85 = 1964-65)

or articles
doing a book that is with
"impression, analytical" (Robert)

or personal (like Dyson; York)

(i.e. 1943-45, [Sey-Silverman?/] 1958-64

(1969-73) 1974-85

X

Moreover, I can reject impersonal book/article
- not bidding for acceptance by academics
or Estab

- can write for Art Sec, For Pol, For Affairs,
APSR, ... later. Likewise, Critiques (NYRB)
(less urgent)

- There is a public debate now
(vs. 1974-^{for}82)

(1981 Europe)

Hush

- personal not only for wider audience,
but greater impact. + credibility

"Vol. I"

- A personal memoir would not
include a later VN-PP-WG memoir (Vol. II).

to combine both could be unwisely
incoherent;

- it would preclude (or make intrusive)
analysis + history

- and would another memoir message

Article(s) would be more timely (1985)
and easier to complete (+ start?)

but: - articles can be drawn from book
(Powers; Halburton)

- 1985 is not a critical year ^{after March?} (?) [CTB?
(unlike 1983-84; or 1986, 1988)

Publish-

- Editor interest (adverse?), deadlines,
editors are crucial;

not "small scale";

and there is much more to say than an
article.
